SEWING CLASSES SUMMER 2017

Summer is a great time to take a few classes and enjoy sewing together with others who share your love of sewing. Our teachers are all very patient, knowledgeable as well as skilled in the classes that they teach.

Our classes are smaller to allow for individual instruction. Early registration is recommended as some classes fill very quickly. We do ask that all fabrics and supplies be purchased from Ma Cherie Fabrics. Inquiries are always welcomed.

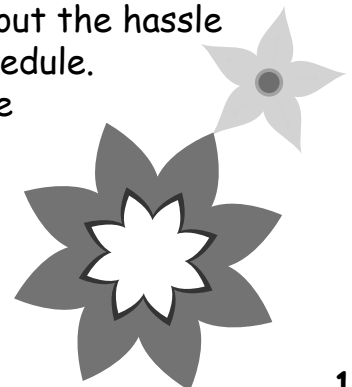

Just as a reminder, we now have access to the online classes from Baby Lock. This is called the Love of Knowledge. This programme features all of the Baby Lock products and there are over 300 classes with new ones being added every week. Please stop in for a preview of some of these. This programme allows you to view the classes at your convenience. We do have these in stock, ready for purchase.
